Mrs. Hickman wanted to thank us for the quick response to the public records request. She would like to see term limits and update pictures on the Township website.

Mr. Hickman would like to get a group of residents together to work with the Trustees to get the nuisance properties cleaned up in a more timely manner. This would be a volunteer counsel.

There are still items that need cleared up on the Sullivan property on County Road 156. The health department was told to not go onto the property any longer. We are aloud to go on the property to remove cars with the Sheriff being there. We went over the process for the removal of the vehicles.

Andrew Wick came in to understand what is going on in our Township. Wick is understanding the importance of cleaning up the nuisance properties.
